## Join us for a Free Workshop on Physical Education Standards-Based Curriculum Design

**Wednesday, March 28, 2012 from 9:00 am to 12:00 noon**  
**at the Hamilton County Educational Service Center**  
**11083 Hamilton Avenue, Cincinnati, Ohio 45231**

This workshop, taught by Dr. Garry Bowyer, Associate Professor of Physical Education at Miami University, focuses on helping teachers align their own physical education curriculum to the Ohio K-12 physical education academic content standards and assessments.

By the end of this three hour professional development workshop, participants will be able to:

1. Use the Ohio Physical Education Standards, Indicators and Benchmarks as a basis for curriculum development.
2. Explain the importance of essential content and the need for a spiraling K-12 curriculum that includes a planned scope and sequence.
3. State best practices in teaching K-12 physical education using standards-based instruction and assessment.
4. Develop strategies to establish and maintain learning environments that are active yet controlled and supportive.

There is no cost to attend this workshop, however, space is limited and registration is required.

[Click here](#) to REGISTER NOW.

The deadline for registration is March 21, 2012.

For more information, please contact Heather Vilvens, Executive Director, BHSa at [hvilvens.bhsa@gmail.com](mailto:hvilvens.bhsa@gmail.com) or by cell phone at 937/725-2787.

This workshop is being offered at no charge to participants through funding provided by the Ohio Department of Education. These workshops are presented by the **Buckeye Healthy Schools Cadre of Trainers**, a collaborative effort of the Ohio Department of Education, the Ohio Department of Health, Buckeye Healthy Schools Alliance (BHSa), and The Ohio Association for Health, Physical Education, Recreation and Dance (OAHPERD).
